- Proficiency of Using AI Tools

Language

- Sinhala – Native
- English – Intermediate Level

About Me

I am an enthusiastic graduate in Environmental Technology, passionate about sustainability, compliance, and food safety. Skilled in data analysis, documentation, and environmental monitoring, I aim to contribute to innovative solutions that support sustainable development and organizational growth.

Education

01. Bachelor of Bio-Systems Technology (Honours) in Environmental Technology

Current Status : Degree Completed (Results Pending)

Current GPA : 3.01

Mainly covered,

- Water Treatment Technologies,
- Sustainable development
- Occupational Health and Safety
- Environmental Conservation and Management Technologies
- Analytical Techniques for Water Analysis
- Tools and Techniques in Applied Ecology
- Molecular Biology and Bio Technology
- Cleaner Production
- Solid waste Management Technologies
- Climate change and Disaster Management

02. Advanced Level Examination –2020

R/ Sivali Central Collage (national School)

03. Ordinary Level Examination –2017

R/ Kehelovitagama vidyalaya

Work Experience

Compliance & HR Trainee (Intern) 06 Months

Maliban Wovens (Pvt) Ltd Ingiriya.

Research Experience

Research Student – 06 months

Faculty of Urban and Aquatic Bioresources – University of Sri Jayawardhanapura.

Membership

- Member of the Environment Society, University of Colombo.
- Member of the Buddhist Society, University of Colombo.

Core Competencies

- Sustainability & ESG Support
- Environmental Auditing Support
- Technical Documentation
- Data Analysis
- Inspection Support
- Food Safety Documentation
