

T. Ameen Bohoran

Industrial Engineering Internship

Information

 aminbohoran7@gmail.com

 Colombo, 50/2 Old Road,
Pannipitiya

 +94 76 084 7121

Languages

- English (Fluent)
- Sinhala (Native)

Skills

Technical

- Microsoft Excel
- Microsoft Office
- Scientific Data Analysis
- Research Methodology
- SOP Compliance
- Laboratory Documentation
- Inventory Management

Summery

Highly motivated Applied Science and Biotechnology undergraduate with strong analytical, research and problem solving skills developed through scientific laboratory work and academic research. Experienced in laboratory documentation, data analysis, SOP compliance and quality-focused environments. Passionate about process improvement, operational efficiency and continuous learning, with proven leadership experience and excellent teamwork and communication skills. Seeking an Internship to apply analytical thinking while contributing to process optimization and operational excellence

Experience

June 2026 - (Reading) |

BioLoom Islands (Pvt) Ltd

- **Research Student (Part Time, 2026).**

Currently engaged as a part-time research student contributing to ongoing biotechnology projects. Involved in laboratory based experimental work, sample handling, data collection, and basic analysis under supervision in a research oriented environment.

Education

(Jan 2025 -Reading) | Asian Institute of Business & Science (AIBS)

- **Bsc (Hons) in Biotechnology (Reading)**

(June 2024 – Dec 2025) | Asian Institute of Business & Science (AIBS)

- **BTEC HND in Applied Science (Pearson Assured)**

Completed Modules:

- Fundamentals of Laboratory Techniques
- Cell Biology
- Anatomy & Human Physiology
- Regulation & Quality in Applied Science
- Fundamentals of Chemistry
- Microbiological Techniques
- Scientific Data Handling
- Science Laboratory Management
- Biochemistry of Macromolecules & Metabolic Pathways
- Biotechnology Techniques
- Analysis of Scientific Data & Information
- Applied Science Research Project

Laboratory

- Aseptic Techniques
- Sterilization
- Media Preparation
- Sample Handling
- Laboratory Safety

Professional

- Analytical Thinking
- Problem Solving
- Teamwork
- Leadership
- Communication
- Time Management

Extracurricular

- **Basketball Vice Captain**
National Youth Centre,
Maharagama 2023 – Present
- **School Games Captain**
Isipathana College — 2021 – 2022
- **Athletic Captain**
Isipathana College — 2021 – 2022
- **Senior Prefect**
Isipathana College — 2021 – 2022
- **Junior Prefect**
Isipathana College — 2020 – 2021

Refrence

- Major Genaral Brigadier C. D. Wickramanayake Major Genaral / Ex-Military Observer, MINURSO, Western Sahara (UN ID 8409) Commandant, School of Military Engineering, Embilipitiya, Sri Lanka Contact: 071 533 9306
- Mr. Gamini Sarathchandra Head Coach, National Youth Centre, Maharagama Former Sri Lankan,National Basketball Player Contact: 077 370 8869

(Nov 2023 - June 2024) | Asian Institute of Business & Science (AIBS)

- **Austrailian Foundation Year in Science**
Completed Modules:
 - Foundation for Biology
 - Introduction to Chemistry
 - Introduction to Genetics
 - Introduction to Laboratory Techniques
 - Numerical Skills
 - Introductory Computer Skills

(Feb 2023– June 2024) | Asian Institute of Business & Science (AIBS)

- **Certificate in pre-biomed**
Completed Modules:
 - Fundamentals of Laboratory Techniques
 - Drugs & Pharmaceutical Technology
 - Molecular Biology and Genetics
 - Food Science & Technology
 - Human Anatomy & Physiology

(April 2023– April 2024) | ESoft Metro Campus, Sri Lanka

- **Diploma in Information Technology (Pearson Assured)**
Completed Modules:
 - Enhancing Productivity with MS Office
 - Internet, Email and Web Designing
 - Graphics & Multimedia
 - Database Concept

(June 2021– June 2022) | ESoft Metro Campus, Sri Lanka

- **Diploma in English (Pearson Assured)**
Completed Modules:
 - Spoken English
 - Written English
 - Presentation in English

(January 2020– December 2023) | Isipathana College, Sri Lanka

- **GCE Advanced Level (A/L) – Biology Stream**
Subjects:
 - Biology
 - Physics
 - Chemistry

January 2018– December 2019 | Isipathana College, Sri Lanka

- **GCE Advanced Level (O/L)**
