PROFESSIONAL SUMMARY

Supply Chain Operations professional with 9+ years of experience in the automotive and sheet metal fabrication industry. Experienced in end-to-end supply chain management including production planning, material planning, inventory control, vendor coordination, and dispatch management.

Hands-on experience in manufacturing processes such as CNC Laser, Bending, press shop, welding, powder coating, and assembly operations, with a strong focus on aligning production with supply chain efficiency and customer demand.

Skilled in demand planning, inventory optimization, logistics coordination, and capacity planning to ensure on-time delivery (OTD), reduced lead time, and optimum stock levels. Experienced in SAP/ERP systems for planning, tracking, and reporting.

Strong coordination with procurement, production, quality, and logistics teams to improve process efficiency and reduce cost through continuous improvement practices.

Focused on improving supply chain visibility, minimizing waste, and enhancing overall operational performance.

WORK EXPERIENCE

Senior Engineer – Supply Chain Operations

Mahindra Accelo Ltd | Aug 2024 – Present

- Lead end-to-end supply chain operations from procurement to customer delivery
- Execute demand planning and SAP-based MRP to ensure material availability
- Manage inventory (RM, WIP, FG) and optimize stock levels to avoid shortages and excess
- Coordinate with procurement and vendors to improve supplier performance and reduce delays
- Monitor and improve on-time delivery (OTD) and lead time through planning control
- Drive S&OP alignment between sales, production, and supply chain functions
- Optimize material flow and dispatch planning to meet customer schedules
- Identify supply chain bottlenecks and implement corrective actions
- Initiative in cost reduction through inventory control, waste reduction, and process improvement

Senior Engineer – Operations

Wheels India Ltd | Dec 2022 – Aug 2024

- Managed planning, dispatch, and material flow
- Improved capacity utilization and productivity
- Implemented Lean tools (Kaizen, Poka-Yoke)
- Handled team and union operations

Senior Engineer – Operations

Bharat Iron Syndicate | Jun 2021 – Dec 2022

- Managed project planning and dispatch schedules
- Ensured smooth material flow and delivery
- Tracked plan vs actual and improved utilization

Engineer – Operations

Imperial Auto Industries Ltd | Dec 2019 – Jun 2021

- Managed production planning and material flow
- Improved efficiency and supported NPD activities
- To oversee the shift activities with respect to Production, Quality, Safety, Delivery, and cost in the production line.
- Plan and coordinate production processes on daily basis to produce high-quality products.

Engineer – Operations

Kider India Pvt Ltd | May 2017 – Dec 2019

- Handled planning and daily operations
 - Reduced scrap, downtime, and improved efficiency
 - Planned laser, punching, bending, and press operations
 - Improved machine efficiency
 - Maintained daily production reports
-

CORE SKILLS

- Supply Chain Planning
- Inventory Management
- Material Planning (MRP)
- Vendor Coordination
- Dispatch & Logistics Planning
- SAP / ERP Systems
- MS Excel & MIS Reporting
- Team Management

CORE COMPETENCIES

- Demand & Capacity Planning
- Process Improvement
- Lean Manufacturing (5S, Kaizen)
- Cost Reduction & Efficiency Improvement
- Quality & Safety Standards

ACHIEVEMENTS

- Leadership Appreciation for manpower management
 - Cost Saving Award for reducing operational costs
 - Best Planner Award for on-time delivery performance
 - Employee of the Month for outstanding performance
-

TECHNICAL SKILLS

- SAP PP & ERP
 - Advance Excel, Word, PowerPoint
 - AutoCAD, Lantek, Tru Tops, By Soft software
-

EDUCATION

- B.E. Mechanical Engineering – 2017
 - Diploma Mechanical Engineering – 2014
 - HSC – 2012
 - SSC – 2010
-

PERSONAL DETAILS

- Name: Tushar Shahaji Ithape
- Location: Shrigonda, Ahilyanagar, Maharashtra
- Date of Birth: 23 November 1994
- Marital Status: Married
- Nationality: Indian
- Languages: English, Hindi, Marathi
