- Inventory Management
- End-to-End Export & Import Operations
- International Logistics (SEA/AIR)
- Team Leadership & Performance Management
- Demand Forecasting & Planning
- Vendor & Supplier Management
- Cost Reduction Strategies
- Stakeholder Engagement & Compliance
- SAP, IFS, Microsoft Office Suite

## PROFESSIONAL EXPERIENCE

**Assistant Manager – Supply Chain** | amanté Exports (Pvt) Ltd | Colombo & Reliance, India *May 2023 – Present*

- Drive end-to-end export and import operations (SEA/AIR) across multiple markets, ensuring full regulatory compliance and operational efficiency in cross-border transactions.
- Partner with sales teams to lead demand planning and inventory forecasting, ensuring stock alignment with Sri Lanka's retail cycles and reducing out-of-stock risk.
- Oversee multi-country supply coordination for the Indian market, managing goods flow across Bangladesh, Sri Lanka, and India to ensure on-time delivery and market alignment.
- Collaborate cross-functionally with product development teams to ensure new products meet quality, compliance, and distribution-readiness standards prior to market launch.
- Direct Sri Lankan retail and warehouse operations, streamlining inventory flow and reducing holding costs through data-driven stock management.
- Manage high-volume GRN for approximately 350,000 units per month, maintaining exceptional accuracy and audit-ready record-keeping standards.
- Coordinate production and delivery schedules across 11 factories in Sri Lanka and overseas, ensuring consistent quality output and on-time fulfilment.
- Cultivate strategic relationships with Customs, Department of Commerce, and BOI, ensuring seamless regulatory compliance and smooth operations.
- Lead, coach, and develop a 6-member supply chain team, establishing clear KPIs and driving a high-performance team culture.
- Collaborate with the Finance team to monitor and maintain the company's EBITDA targets, aligning supply chain cost decisions with overall financial performance objectives.

**Senior Executive – Supply Chain** | MAS Brands Exports (Pvt) Ltd *June 2021 – May 2023*

- Managed end-to-end export and import operations (SEA/AIR), ensuring compliance and operational efficiency.
- Developed and implemented strategies to streamline export/import documentation and introduced cost-reduction methods across sea and air operations.
- Coordinated with 11 factories across Sri Lanka and overseas for timely production and quality delivery.

**Executive – Commercial & Logistics** | MAS Active Trading (Pvt) Ltd *February 2017 – June 2021*

- Collaborated with merchandising, finished goods, and forwarding teams to ensure seamless operations and timely dispatch.
- Managed commercial and post-shipment documentation: invoices, packing lists, certificates of origin, and import/export bills.
- Compiled BOI reconciliation reports, prepared management reports, and contributed to automation and productivity improvement initiatives.

## KEY ACHIEVEMENTS

- Led a Warehouse (WH) Project delivering annual savings of LKR 22 million through process re-engineering and operational cost reduction.
- Partnered with the Ministry of Trade, Sri Lanka to secure regulatory approvals, generating USD 300,000 in savings for the company.
- Optimized DC efficiency by 10% and maintained product availability above 85% at all times, significantly reducing loss-of-sale incidents.
- Active member of Automation & Productivity Teams; developed a robust sourcing network ensuring smooth and cost-effective supply chain continuity.
