

PASINDU ANJANA

GENERAL MACHINIST

ABOUT ME

I am a skilled and dedicated General Machinist with hands-on experience in operating, maintaining, and setting up various machine tools to produce precision metal parts. I have strong technical knowledge of machining processes such as turning, milling, drilling, and grinding, with a focus on accuracy, safety, and quality workmanship. I am reliable, detail-oriented, and capable of reading and interpreting technical drawings and measurements. I take pride in maintaining machines in top condition and continuously improving production efficiency. I work well both independently and as part of a team, and I am always eager to learn new machining techniques and technologies.

EDUCATION

GCE (A/L) - (2C, 1S)
Engineering Technology 2021(2022)

GCE (O/L) - (2A, 2B, 4C, 1S)
2018

SKILLS

- Communication
- Time management
- Mathematical & Analytical
- Technical skills
- Practical skills
- Machine operation

LANGUAGES

- English (Basic)
- Sinhala (Fluent)

EXPERIENCE

CEYLON GERMAN TECHNICAL TRAINING INSTITUTE

General machinist 2022-2025

- Designing and fabricating precision metal work while learning machining techniques. Collaborate with engineers to create technical drawings, operate CNC machinery, Lathe machine, milling machine, grinding machine and conduct quality checks, gaining hands-on experience in manufacturing to enhance production efficiency and innovation.

TRAINING EXPERIENCE

Higray Engineering (Pvt)Ltd	(6 months)
Modern pack lanka (Pvt)Ltd	(6 months)
